About Us

With our wealth of experience and expertise, we, at Suman Electronics, introduce ourselves as a noted manufacturer, supplier and exporter engaged in the production of world class electronic controllers like AC Controller, Ductable AC Controller. Our line of products includes Cooler Controller, Chiller Controller for air conditioner control and industrial automation. We are also a importer of AC Controller Components. High on every parameter of quality, efficiency, performance and durability, our products are widely used by many eminent business houses. We are also engaged in the import of electronic components from various overseas markets. Our process is accredited with ISO 9001: 2000 certification and we are in the process of getting the CE certification.

We are a perfect amalgam of excellent manpower and modern mechanical devices to design the unbeatable line of electronic controller systems for our valued clients. Our strict commitment towards innovation, timely delivery and client satisfaction has helped us to carve a special niche for ourselves in today's competitive business scenario. Currently, we are catering to the requirements of many noted domestic as well as international business houses. The company did a turnover of Rs. 5.17 crore in 2015-16.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	Ductable Ac Controllers,Chiller Controllers,AC Controllers,Controllers,HVAC Controllers
No of Staff	35
Year of Establishment	2001
OEM Service Provided	No
ProductRange	Ductable Ac Controllers,Chiller Controllers,AC Controllers,Controllers,HVAC Controllers

Our Products

CT 300 Ampere

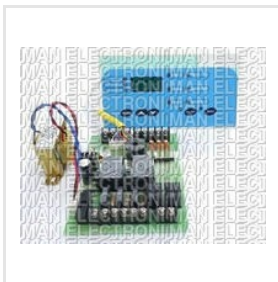

DSW Controller

Ratio Meter Controller

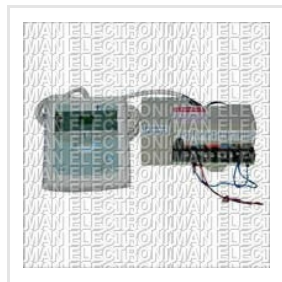

UV Controller

Single Compressor Chiller

Flexible Chiller Controller

Ductable AC Controller

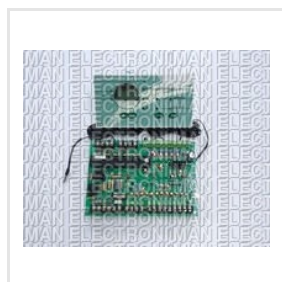

Package Controller

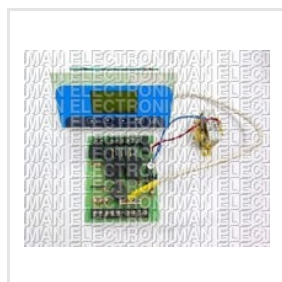

CO2 Chiller

Ductable Controller

Chiller Controller

Single Compressor PID Chiller

Electrical Snubber

Ductable Universal Controller
