## About Us

Arihant industrial Corporation Limited is a reputable Manufacturer, Supplier and Service Provider of innovative playground and outdoor recreational equipment. Our speciality includes designing and marketing of high quality products like KidPlay MAPS - Kids Playground Equipment, Kidfun MAPS - Child-Focused Fun Activity Stations, Extra Large Merry Go Round, Large Size Garden Vase, Ovate Stepper and other related items. With a heavy focus on the concept of safety, durability and child-directed design, our offerings are created. It is through combining current engineering standards with innovative ideas that we end up developing interesting play areas that encourage physical exercise, coordination and socialization among the children.

We follow the high quality standards and use strong raw materials to provide structural strength and high service life. As a customer-oriented company, we serve schools, parks, residential development projects, municipalities, and commercial organizations. Innovation, reliability, and timeliness in service delivery have also enabled us to create a high presence in the industry and create long-term relationships with customers.
