About Us

With a group of professionals, Dattatraya Medical & General Stores, was founded in the year 2001. Our organisation is well-known in the market as a reputed trader and exporter of Vitamin D Injection, Febuxostat Tablets, Iron Sucrose Injection USP, Antiviral Drugs, etc. These drugs are all of the finest quality, and they are all given to consumers in packaging that is completely secure. All of these non-toxic products have longer expiration dates and are really effective in treating various diseases. These products are created by experts utilising the safe ingredients in the cleanest environments. Medical experts and biotechnologists in the market agree that our offerings are safe and worth purchasing.

All of these drugs are purchased by our professionals from trustworthy domestic and international pharmaceutical companies. These products are incredibly easy to use and of the greatest quality. All doctors suggest these products and we distributed to the general public in secure packaging and with perfect sterility. Old age people, adults and people of different age group any age can use our products as prescribed by doctor. We put the products we buy through a number of quality checks and other criteria to make sure they meet the specific requirements and standards of hospitals. Under the capable guidance of our Mr. Dilip Jane, we offer the best assortment of tablets and injections. His leadership is the key to our competitive edge.
