DAMRU PAVER BLOCK MOULD

About Us

RS Industry is a reliable manufacturer and supplier of plastic paver block and tile moulds, catering to the growing needs of the construction and landscaping sectors. Established with a focus on practical design and functional performance, we aim to support manufacturers with mould solutions that enhance productivity and surface finish. Our operations are guided by efficiency, material integrity, and customer-oriented service.

We specialize in Damru Paver Block Mould, Milano Paver Block Moulds, Rectangular Plastic Mould, L Shape Plastic Paver Mould and Tile Making Mould. Each mould is developed to support consistent shaping, uniform thickness, and ease of handling during production. Our range is designed to accommodate varied design requirements while maintaining durability for repeated usage.
