

INDUSTRIAL ALLUMINIUM CHANNEL BENDING MACHINE

A promise to offer products with higher quality standards.

Manufacturer and Supplier

1325 Series Small Size Router Machine, Co2 Metal Marking Machine, DM-1525 Dual Head CNC Router Machine, EC-1325 CNC Router Machine, EX-1325 CNC Router Machine, Industrial Alluminium Channel Bending Machine, Industrial Laser Machine, Industrial Stone Engraving Machine, Industrial Vacuum Press Machine, RS-1325 CNC Router Machine, SC-1325 CNC Router Machine With Front Rotary, ST-1325 CNC Router Machine, Single Head Wood Lathe Machine, TX-1325 CNC Router Machine With Side Rotary, etc.

**INDUSTRIAL ALLUMINIUM CHANNEL
BENDING MACHINE**

RS-1325 CNC ROUTER MACHINE

EX-1325 CNC ROUTER MACHINE

About Us

We, Max-Tech Machines Private Limited, were founded in the year 2014 has successfully emerged as a reputable manufacturer of Wood Lathe Machine, Stone Engraving Machine, Vacuum Press Machine, EX-1325 CNC Router Machine. Our entire product is made under the supervision of our highly qualified staff using premium raw materials and cutting-edge technology. To ensure outstanding precision, the delivered product is also checked in accordance with predefined quality standards. These products are highly valued by our clientele due to their excellent quality, little maintenance needs, dimensional accuracy, dependability, and other important qualities that accurately reflect our actual goals.

We promise to our clients that the goods we deliver will surely meet their expectations. It is the knowledge and innovative ideas of our team that is enabling us to bring the best for buyers. Additionally, we provide our customers the choice of customization based on their specific requirements. Once a customer comes to us, we listen to their requirements and then suggest them the best suitable solutions. We work in a completely systematic manner and make sure to maintain transparency as well. Our manner to serve customers has made us their favorite destination to have business deals.

Key Facts

No of Staff	10
Year of Establishment	2014
OEM Service Provided	No

Our Products

**Industrial Alluminium
Channel Bending**

**RS-1325 CNC Router
Machine**

**EX-1325 CNC Router
Machine**

**ST-1325 CNC Router
Machine**

**SC-1325 CNC Router
Machine With Front**

**TX-1325 CNC Router
Machine With Side**

**EC-1325 CNC Router
Machine**

**DM-1525 Dual Head
CNC Router Machine**

**1325 Series Small Size
Router Machine**

**Co2 Metal Marking
Machine**

**Single Head Wood
Lathe Machine**

**Industrial Vacuum
Press Machine**
