About Us

Well-recognized as noteworthy manufacturers, suppliers, traders, and exporters, we, Oswal Agro Chemical And Fertilizers Pvt. Ltd., are continually creating ripples in the industry. We have secured a reputable position in the market as a trusted partner, offering superior-quality agricultural chemicals and fertilizers. Customers connect with us from different parts of the world to meet their demands for Ascorbic Acid, Castor Oil, Sodium Molybdate, Calcium Nitrate, Ascorbic Acid, Castor Oil, Sodium Molybdate, Calcium Nitrate, and other products.

Valuing the trust our customers show in us, we strive day and night to offer them the best. From ensuring high effectiveness across our product range to promising prompt delivery of orders, we do it all to delight our customers. Providing them with exceptional services and products helps us foster long-lasting relationships with them, accelerating the growth of the organization. We attribute our success to the support, appreciation, and love of our customers.

Oswal Agro Chemical And Fertilizers Pvt. Ltd. is a worldwide popular name for offering a wide range of highly effective agricultural chemicals and fertilizers. We are based in Pune (Maharashtra, India) and are fulfilling the responsibilities of manufacturer, supplier, trader, and exporter. Our product portfolio includes Borax Decahydrate Crystal, Sodium Molybdate, Castor Oil, Calcium Nitrate, Ascorbic Acid, and others. Developed in compliance with industrial guidelines, each product is a perfect example of quality and reliability. Since 1998, we have been successfully fulfilling the requirements for the aforementioned products with complete integrity. Due to this, even today, we are supported by the customers who connected with us at the beginning of our journey. Thus, in our opinion, there is no other big achievement than having a good customer loyalty rate.
