About Us

Established in 2021, Quanta Electric & Automation Pvt. Ltd. has rapidly positioned itself as a distinguished provider in the domains of Industrial Automation, Process Control, Electromechanical Engineering and Electrical Project Execution.. Driven by a steadfast commitment to client-centricity, we specialize in delivering technically advanced, cost-effective, and timely solutions tailored to meet the unique demands of diverse industries. As an Authorized Channel Partner of ABB((Drive Division, Motor Division , Service Division), we offer an extensive portfolio of state-of-the-art products and services, enabling industries to achieve operational excellence and maximize efficiency with precision and reliability.

Quanta Electric & Automation Private Limited is a supplier and trader entity serving customers with quality range of products. Our collection includes FOCH0610-70 Du Dt Filters, NOCH0016-65 Du Dt Filters, Liquid Cooled Drives, Ultra Low Harmonic Drives, etc., which is procured us from certified manufacturers. After procurement the entire range is tested on a number of parameters so that we can ensure they are worth supplying to clients. Our strict adherence to quality standards has made us a reliable name in the Indian industry.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	schneider soft starters,abb soft starter,programmable logic controller,plc panel,multi channel amplifier,pid controllers,pid temperature controller,electrical isolators,panel meters,voltage protection relay
No of Staff	15
Year of Establishment	2014
OEM Service Provided	No
Memberships	MSME ISO CERIFIED
ProductRange	schneider soft starters,abb soft starter,programmable logic controller,plc panel,multi channel amplifier,pid controllers,pid temperature controller,electrical isolators,panel meters,voltage protection relay

Our Products

ABB SOLAR DRIVE

ABB VFD

ACS310 General Purpose Drive

ACS560 General Purpose Drive

ACH580 Drive For HVAC

ACQ580 Water And Wastewater Drive

ACH480 Drive For HVAC

ACS150 Micro Drive

ACS355 Machinery Drive

ACSM1 Motion Control Drive

ACS850 Machinery Drive

ACS800 Industrial Drive

ACQ810 Wastewater Drive

0.56 Inch One Phase Seven Segment LED

ACS550 General Purpose Drive

Medium Voltage AC Drive
