LATHE TRAINER MACHINE FOR
ENGINEERING**

About Us

Leveraging our robust resources and years of industry experience, we, CAD Mech Engineering Pvt. Ltd., have become one of the top manufacturers, suppliers, exporters, and traders of well-engineered industrial products. Our product range includes CNC Drill CNC Trainer Mill Machines, Industrial Hydraulic Trainer Kits, Fanuc CNC Lathe Trainer Machines, Small CNC Waterjet Cutting Machines, Educational CNC Trainer Mill Machines, and others. All the products are made in compliance with the industrial norms. Furthermore, we also serve as a service provider. We render Educational Robot Trainer Services at budget-friendly prices. Conducted by our team of highly knowledgeable professionals, the services are reliable.

Being an ISO 9001:2015 Certified company, we focus a lot of attention on the quality factor. Because we want our range of Industrial Hydraulic Trainer Kits, CNC Drill CNC Trainer Mill Machines, Small CNC Waterjet Cutting Machines, Fanuc CNC Lathe Trainer Machines, Educational CNC Trainer Mill Machines, and other products to stand out in the market, we strictly adhere to the quality norms and go to lengths to ensure that the highest standards of quality are maintained across our array of offerings. Moreover, our professionals have established a robust quality management system, under which they conduct multiple product tests. The products that are fluent in performance, highly efficient, precise and modern in design, robustly constructed, and longer-serving are delivered to the customers in exchange for competitive rates.

Key Facts

No of Staff	25
Year of Establishment	2012
OEM Service Provided	No

Our Products

Sinewave Educational CNC Lathe Machine For

CNC Lathe Trainer Machine For Education

CNC Lathe Trainer Machine With Fanuc

Industrial Hydraulic Trainer Kit

6 Axis Educational Robot Trainer Machine

CNC Lathe Trainer Machine With Slant

VMM-200 CNC Trainer Mill Machine

6 Axis Tutor Educational Robot

Vertically Articulated 6 Axis Educational Robot

CNC Drill CNC Trainer Mill Machine

6 Axis Educational Robot Trainer Machine

Basic Hydraulic Trainer Kit For Education

Educational CNC Trainer Mill Machine

Desktop Mini CNC Waterjet Cutting

PLC Based Hydraulic Trainer Kit

PC Based 6 Axis Educational Robot

ADDRESS

S. N. 8/11, Plot No. 30, Near
Abhinav Pharmacy College,
Narhe, Pune, Maharashtra, India
(411041).
