

Garvit Green Industries

100% Compostable

At Garvit Green, under our brand Mapple Leaf, we specialize in manufacturing a comprehensive range of sustainable tableware and food packaging solutions made from sugarcane bagasse pulp, paper containers, and wooden cutlery.

www.garvitgreen.com

Garvit Green Industries Private Limited

Garvit green is one of the leading biodegradable product manufacturers in India. We are suppliers of MAPPLE LEAF comprehensive range of 100% Biodegradable and Compostable Environment Friendly, Safe Disposable Food Service Products.

All products made from Sugarcane Bagasse Pulp.

Our Bagasse Products are biodegradable, compostable, and microwave-safe, making them ideal for a wide range of applications. Whether you need disposable plates, bowls, cups, or takeout containers, we have you covered. Our products are sturdy, durable, and can withstand hot and cold temperatures without leaking or breaking. They are perfect for use in restaurants, cafes, hotels, schools, and other food service establishments.

Vision

At Garvit Green, our vision is to lead the industry as a distinguished manufacturer and exporter, renowned for our commitment to quality, innovation, and sustainability. Driven by a passion for excellence, we strive to expand our global footprint, establishing ourselves as a trusted partner in diverse markets worldwide. Our vision extends beyond mere growth; it encompasses a deep-seated responsibility towards our stakeholders, including customers, employees, suppliers, and the communities we operate in.

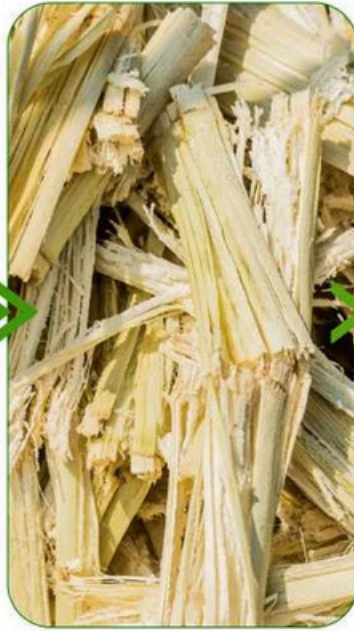

Mission

At Garvit Green, our mission is to revolutionize the tableware industry with sustainable solutions that prioritize environmental stewardship and consumer well-being. As a leading manufacturer and exporter of sugarcane bagasse tableware products, we are committed to reducing ecological footprints while enhancing dining experiences worldwide. We prioritize customer satisfaction by offering a diverse range of eco-friendly tableware solutions that cater to varying consumer needs and preferences.
