About Us

I Tech Rubbers is a trusted name in the manufacturing and supply of high-quality rubber moulded components. Based in Coimbatore, Tamil Nadu, India, we have been serving diverse industries since our establishment in 2000. With a focus on precision engineering, superior quality materials, and customer satisfaction, we are your reliable partner for all rubber component needs. We are a key Manufacturer and Supplier of Customer Required Rubber Moulded Components, Rubber Bellows, Rubber Bowl Bush For Submersible Pump, High Quality Rubber Diaphragm, Rubber Vibration Mount With Stud, etc.

We boast a modern manufacturing unit equipped with advanced machinery and technology. Our facility in Coimbatore is staffed with skilled technicians and engineers who ensure precise fabrication of rubber components. From mould design to final production, every step is meticulously monitored to maintain the highest quality standards.

Key Facts

No of Staff	6
Year of Establishment	2000
OEM Service Provided	No

Our Products

NBR Rubber Leg

Rubber Bowl Bush For Submersible Pump

High Quality Rubber Diaphragm

Submersible Metal Rubber Bush

Rubber Mount With Stud

Gas Refilling Diaphragm

Viton Rubber O Ring

Rubber Grommet

NBR Rubber Diaphragm

Rubber Vibration Mount With Stud

High Quality Rubber Gasket

EPDM O Ring

Rubber Wiper Blade

Rubber Vibration Pad

Plastic Moulded Components

High Quality Rubber Bellows
