## About Us

Essvee Overseas began its operations in 2006 after deeply analyzing the markets for various types of sanitary products. We started on a small scale and with our continuous growth, we have secured our stand among the leading manufacturers of Cistern Tank, Seat Cover, Plastic BIB Cock, Pipe Cable Clip, Connection Pipe, CPVC Ball Valve, Bath Hand Shower, Shower Hose, Tank Nipple, and many other products.

We value our resources. We feel blessed to have a team, which is passionate about attaining growth and success for our company. The appointed professionals are keen learner, creative thinker, and punctual in their tasks. With their support, we are delivering remarkable sanitary ware and bath fittings.
