## About Us

Ambal Agencies is a leading trader and supplier of high-quality building and interior construction materials, based in Coimbatore, Tamil Nadu, India. Founded in 2001, we have built a strong reputation for reliability, consistent quality, and professional service. With decades of industry experience, we serve a wide range of residential, commercial, and industrial clients with dependable material solutions. We offer a comprehensive range of products including Gypsum Board, Gypsum Round Ceiling Rose, Prelaminated Bison Board, Cement Fibre Board and Aerocon Wall Partition Panel. Our products are sourced from trusted manufacturers and are known for their strength, durability, and suitability for modern construction and interior applications. Each product is selected to meet evolving architectural and design requirements.

Our goal is to support construction and interior projects with dependable materials and professional service. We strive to build lasting partnerships by maintaining transparency, consistency, and high service standards. By adapting to market trends and customer needs, we continue to deliver value-driven solutions that contribute to successful and sustainable building outcomes.
