About Us

Paras Industries offers its clients a wide variety of quality-assured products, including Striker Light, Street Light, Spot Light, Panel Light, Junction Light, and more. Owing to our dedication, hard work, and resilience, we have earned the reputation of being one of the most reliable manufacturers and suppliers of the above-mentioned products. Our items are manufactured using premium-quality raw materials, which we procure from reliable vendors in the industry.

Our professional employees undertake every project seriously, irrespective of the budget. Although allocated to different teams, they work together to ensure that all the projects undertaken are completed within the stipulated time frame. We conduct seminars and training sessions to keep our employees up to date with the latest industry trends. Our customer support executives play a huge part in maintaining cordial relationships with our clients. Any queries or grievances our customers might have are promptly addressed by them. Our capacious warehouse area helps us to maintain our inventory, which helps us to cater to the bulk and urgent requirements of our clients. The products are stored effectively in well-labelled racks and compartments according to their specifications, which increases our work productivity.
