About Us

Established in the year 2000 in Ghaziabad, Uttar Pradesh, Jay Steel Traders has emerged as a trusted name in the field of steel trading and supply solutions. With over two decades of industry expertise, we are engaged in offering a wide range of products including Round Welded Mild Steel Pipes, Industrial MS Pipes, ERW Round Pipes, MS Hollow Sections, Galvanized Iron Pipes, and MS Round Bars. Known for our customer-centric approach and strong ethical values, we have built long-standing associations with clients across multiple industries. Our commitment to quality, timely delivery, and transparent business practices has positioned us as a preferred partner for contractors, fabricators, and industrial buyers seeking reliable steel and metal products.

Jay Steel Traders operates with the mission to provide high-quality steel products that meet the diverse requirements of construction, fabrication, and industrial applications. From MS Black Pipes and Industrial MS Tubes to Steel Structures, Metal Beams, and Galvanized Pipes, our extensive product portfolio caters to both small-scale projects and large-scale industrial demands. Over the years, we have built a strong distribution network and a reputation for supplying steel products that adhere to industry standards. With a dedicated team, robust supply chain, and customer-first approach, we strive to deliver cost-effective solutions without compromising on quality. Our strength lies in offering both variety and reliability, ensuring client satisfaction at every step.
