About Us

Established in 2010 and based in Pune, Maharashtra, Mangalmurti Cranes has earned a distinguished reputation as a trusted trader, supplier, and service provider in the heavy machinery and crane services sector. We specialize in a wide array of services, including Loading Unloading Of Heavy Machinery Services, Crane Rental Services, Hydraulic Crawler Crane Rental Services, Farana Crane and much more, catering to diverse construction and industrial needs. Our commitment extends beyond providing high quality equipment and services, we are dedicated to maintaining ethical business practices and ensuring complete transparency in all our interactions. This approach has helped us build strong, long lasting relationships with our clients, who rely on us for timely and dependable solutions.

Under the guidance of our mentor, Mr. Avinash Takawane, we have achieved a prestigious standing in the industry. His consistent inspiration and leadership have empowered our team to execute projects efficiently, always meeting deadlines without compromising quality. His vision continues to drive our pursuit of excellence and client satisfaction. We take pride in combining technical expertise, modern equipment, and a client centric approach to deliver seamless services. Whether it is heavy machinery handling, crane operations, or specialized rental solutions, we ensure safety, reliability, and efficiency in every project. Our mission is to be the most trusted partner for all crane and machinery service requirements in Pune and beyond.
