About Us

At Nation Power Lines, we take pride in being a distinguished manufacturer and trader of a wide range of electrical and industrial hardware products, including Eye Hook, Kit Kat Fuse, Stay Rod, ACSR Conductor, and more. With a strong foundation built on quality, reliability, and customer trust, our company has carved a niche in the industry by consistently delivering products that meet high performance and safety standards. Based in Kolkata, West Bengal, we operate with a vision to provide robust and durable solutions for power distribution, transmission, and industrial applications.

Our manufacturing unit is equipped with modern technology and operated by a skilled workforce that ensures precision and quality in every product. As a trader, we maintain strong partnerships with trusted vendors and clients, ensuring timely deliveries and excellent after-sales support.
