About Us

Established in 1995, Sahayog Industries is a trusted Manufacturer and Supplier based in Navi Mumbai, Maharashtra, India, engaged in delivering precision engineered solutions such as Vending Machine Cabinets, Sheet Metal Fabrication, Laser Cutting Services, Panel Box and so on. With decades of industry presence, the company has built a strong reputation for innovation, reliability, and customer satisfaction across diverse manufacturing and engineering segments. Our modern infrastructure is well equipped with advanced machinery and skilled professionals who ensure every product meets stringent quality standards. By combining design accuracy with high performance materials, we cater to the specific requirements of clients from various industrial sectors.

Under the visionary guidance of our mentor, Mr. Bhalchandra Jadhav, we have gained immense expertise and recognition in this domain. His leadership and industry insight have helped the company maintain a balance between technology advancement and customer centric service. Today, we stand as a symbol of engineering excellence, offering end-to-end fabrication and component manufacturing solutions. We continue to strive for perfection through continuous improvement, timely delivery, and consistent product quality, strengthening our position as a dependable partner in the field of metal fabrication and custom engineered products.
