About Us

Trupti Park & Projects is a reputed company in the field of amusement and entertainment which is providing a wide assortment of attractions and facilities which provide leisure experience to the individuals. Established in 1993, the organization has been at the forefront of designing and manufacturing Amusement & Kids Park, Filmcity Studio, Forest Resorts, Funland Water & Amusement Park, Snow Park, Theme Water Park, etc. Along with these, the company has enough facilities to provide reliable Designing, Installation and Repairing Services to the clients as per their preferences. The commitment of our company towards excellence and customer satisfaction has flourished our firm and we become a leading manufacturer, supplier and service provider.

We have selected the ideal personnel for every work to help us cater to amusement parks, water parks and allied demands across industries. Our capable and industrious engineers, researchers, and quality controllers work together to meet the customer requirements. They fully utilize the most up-to-date technologies available at our manufacturing, quality testing, and research wings. Our whole business operations are segregated into various divisions and all members of their respective domains coordinate with each other to facilitate the process smoothly. Our efficient team is well-versed in this domain and works tirelessly to produce reliable and premium quality products.
