## About Us

Shiv Packaging focuses on providing packaging solutions with quality, precision, durability, and sustainability at the forefront. Operating as a supplier and manufacturer, a strong know-how of industrial and logistics demands inspires the design of wooden crates, packing boxes, and pallets that make transportation and storage more efficient and secure. All these products, including brown heat-treated wooden pallets, two-way wooden pallets, EPAL industrial wooden pallets, wooden packing boxes, pinewood packaging boxes, wooden crates, and wooden pallet boxes, are made to be reliable, offering easy handling in different industries.

All pallets and packaging solutions are made from sustainable forestry-certified material, maintaining global shipping standards through heat treatment certifications. Splinter-free finishes and high-tech moisture-resistant treatments ensure safe, durable products with a minimized risk of damage. Stackable designs provide optimal storage, while high load-bearing capacity provides high-performance transportation for heavy freight. Reusable and returnable systems, coupled with cost-effective shipping solutions, position the company as the perfect supply chain optimization partner.
