About Us

Steel Tech International, established in 2006 and based in Jalandhar, Punjab, is a renowned manufacturer, supplier, and exporter specializing in premium forged steel products. Under the leadership of Mr. Somesh Sharma, the company has built a strong reputation for delivering high quality steel fittings such as MS Forged Reducer Socket, MS hydraulic Hose Collar, MS Hydraulic Half Plug, MS Forged Steel Reducing Hex Nipple and so on. Our manufacturing process is rigorously monitored by expert quality controllers to ensure that every product meets stringent industry standards and is free from defects. We utilize advanced infrastructure and skilled workforce to produce durable, reliable, and precision engineered pipe fittings that cater to diverse industrial applications.

At Steel Tech International, customer satisfaction is paramount. We offer customized solutions tailored to meet specific client requirements, ensuring timely delivery and competitive pricing. Our products are widely appreciated for their strength, longevity, and excellent performance under demanding conditions. With a commitment to ethical business practices and continuous improvement, we have established a wide distribution network serving both domestic and international markets. Our extensive experience and dedication to quality have earned us a noteworthy position in the steel manufacturing industry. We continue to innovate and expand its product portfolio, aiming to provide the best steel fittings that combine strength, functionality, and value for our clients worldwide.
