About Us

R B A Exports Private Limited began its operations in 1958 as a trading company of wire nails, paper and other commodities. With the consistent hard work, sheer commitment and passion, today, we stand among the largest manufacturers of iron casting products from India. Our products such as Zoom Out Ambulance, Bench Frames, Dome Grates, Gully Grates with Frame, Circular Manhole Covers, Bollard Final, and more are extensively used in over 5 continents including the Americas, Europe, Middle East, Africa, and Australia, New Zealand. We have three full-fledged manufacturing facilities in India that offer us annual installed capacity of 24000 MT of Grey iron and 24000 MT of Ductile iron. In order to develop custom steel fabricated and galvanized products, we have recently started our manufacturing facility. Further, we are trading in many engineering products for petroleum, construction, railways, and related industrial verticals. We regularly supply our products to be used for drainage, water, sewer, telecommunications, utility network, streets, and highways.

We have a strong team of technical advisors, who work hard to fulfill the requirements of our customers including installers, stockists, etc. Due to our long term commitment to growth and regular improvement policy, we are attracting the best brains in the industry. Our sharp experts provide us in-dept knowledge, expertise and insights of the industry that help us to offer the current range of our remarkable products. Our company is attaining immense growth and success, under the mentorship of Mr. Sudarshan Jhunjhunwala (Director). He is a hard working person, who believes that there is no shortcut to success. Utilising his rich knowledge, he guides the appointed team and help company in gaining satisfaction of customer.
