About Us

Established in the year 2014, Iysert Energy Research Private Limited is an ISO certified organization which is the producer of portable solar technology and vertical turbines & bio waste technology. Situated in Jaipur, Rajasthan; we are utilizing the facilities superbly to produce world-class Hybrid Solar Street Light, Solar Dome Camera, Solar Power Tree, Solar LED High Mast Light, Portable Foldable Solar Panel, etc. All these solar products are integrated with hi-tech components which enhance their performance, durability and work efficiency. Under the leadership of Mrs. Arti Trivedi (Director) and Mr. Rakesh Biswas (CEO), we have secured a renowned position of manufacturer and supplier in the industry.

With complete focus on quality, our efforts towards the same direction enable us to achieve ISO 45001:2018, ISO 14001:2015, ISO 9001:2015, CE, TUV IP65, QRO and NSIC certifications. Our organization is also awarded with Dr. BR Ambedkar Business Excellence Award given by the government of India. The quality assured products we are offering are supplied to Indian Railway, Indian Army and PSU companies. Our brand, IYSERT has completed several projects for clients like TATA, Shree Cement, DRDO, ISRO, DFC Metro Project, Tourism Department, Government of India, etc.
