About Us

According to research conducted by our company, Jameson & Magrudar Company Private Limited, there has always been a need for metal based products. Since our business was established in the year 1959, we have established a reputation as a top manufacturer, supplier and trader of a unique variety of highly durable metal products. Screen Printing Wire Mesh, Metal Gratings Expanded Sheet, Double Crimped Wire Mesh, Welded Wire Mesh, Carbon Steel Wire Mesh, and a large number of other goods are among the many that we provide. Also, only the most dependable & trustworthy vendors provide us with good quality raw materials which are eventually used in the production of our metal products, ensuring that the finished result is of the best quality.

The demand for various types of metal-based products is always increasing but due to the high level of competition, not all companies provide good quality ones. Whereas, at Jameson & Magrudar Company Private Limited, we continually focus on giving the clients metal products of the highest quality. Kolkata, West Bengal, India is the location where our company is situated, and from here we offer a unique variety of metal-based products including Hexagonal Wire Mesh, Rectangular Wire Mesh, Metal Expanded Sheet, Square Wire Mesh, Inter Crimped Wire Mesh, and many more. Many clients all over the market trust our company because of the excellent quality, great durability, and low price range of our metal goods.
