About Us

Since 1982, Space Tech Equipments & Structural Private Limited has been a trusted name in the manufacturing of high-quality storage solutions for various gases. Based in Thane, Maharashtra, we are a trusted manufacturer and supplier specializing in producing Nitrogen Gas Horton Sphere, Argon Gas Horton Sphere, LPG Horton Sphere, Propane Butane Horton Sphere and Oxygen Gas Horton Sphere. With a focus on precision engineering and customer satisfaction, we have consistently delivered exceptional products that meet the highest safety and quality standards. Our extensive experience and advanced manufacturing capabilities make us the preferred choice for industries that require reliable and durable gas storage systems.

We understand the importance of sustainable practices in today's world. Space Tech Equipments & Structural Private Limited is committed to reducing our environmental impact by adopting green technologies and sustainable manufacturing processes. We use eco-friendly materials and strive to minimize waste during production, ensuring that our operations are as environmentally responsible as possible.

Our commitment to customer satisfaction drives everything we do. From the first consultation to post-delivery support, we ensure that every client receives personalized service and expert guidance. We work closely with you to understand your needs, offering tailored solutions that help you achieve your goals safely and efficiently. Our after-sales support ensures that you have ongoing assistance and maintenance when needed.
