About Us

A reputable company in the Indian market, RKH Enterprises produces high-quality fire fighting items in a range of sizes and specifications. As a manufacturer and supplier, we deal in Fire Hydrant Valve, Hose Reel Drum, MS Double Door Hose Box, Fire Extinguishers, Stainless Steel Fire Sprinkler, and other products. The best raw materials procured from chosen suppliers are used to create these products. This is why our entire product line has earned excellent ratings in the industry for effectiveness, durability, and ease of use.

To cater to the rising demands of our customers, we have employed many skilled team members who always put in their best efforts to introduce innovative fire fighting supplies of the best available quality. We also maintain a large inventory of products that allows us to take care of bulk orders from all over India. As a service provider, our company is further providing Installation Services, Refilling Services and AMC Services of our own products.

At RKH Enterprises, we offer the best quality fire fighting equipment and tools that are essential in the fire fighting industry. With our head offices in Navi Mumbai, we have become a renowned manufacturer and supplier of MS Double Door Hose Box, Hose Reel Drum, Hydrant Valve, and many other products. In Maharashtra, we have a well-equipped facility that allows us to manufacture, store, and supply quality products in bulk. This facility is operated by our capable team members who are experts in their fields, and guarantee order delivery with unmatched speed. Our team of professionals also help us in providing cost-effective Installation Services, Refilling Services and AMC Services of our own products.
