About Us

Since 1988, we, M/S Seth Engineering Works have been the best manufacturers and suppliers of Corrugated Rotary Cutter Blades, Almunium Drone Motor Mounts, Sunmica Sample Cutting Dies, Industrial Metal Rings, Pneumatic Crush Cutter Holders, and other products in the industry. The exceptional quality of our products and our transparent business dealings make us the best in the market. From all over the country, customers place orders with us. Backed by excellent resources, we strive to complete all the orders within the committed time frame and without compromising the quality. For more than 3 decades, we have been satisfying the needs of a large customer base in the best manner possible and thus, our large clientele is a testament to it. In the future, we plan to stay consistent and continue to regularly innovate our product range in order to keep pace with the changing customer demands.

We have constructed a capacious and well-engineered manufacturing unit to flawlessly develop our range of Almunium Drone Motor Mounts, Sunmica Sample Cutting Dies, Pneumatic Crush Cutter Holders, Industrial Metal Rings, Corrugated Rotary Cutter Blades, and other products. Erected at a strategic location in Ghaziabad (Uttar Pradesh, India), our manufacturing unit is equipped with cutting-edge machinery and tools.
