## About Us

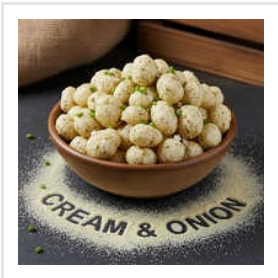

Ascendance Agro Private Limited is a trusted Exporter, Trader and Supplier based in Mumbai, Maharashtra, focused on delivering eco-conscious and quality-driven products. Established in 2022, the company is committed to promoting sustainable alternatives and premium food offerings that align with modern consumer preferences. Our goal is to combine environmental responsibility with product excellence to serve both domestic and international markets effectively. We offer a versatile selection of eco-friendly disposables and nutritious snack options designed to meet diverse requirements. Our range includes Biodegradable Bagasse Disposable Plates, Eco-Friendly Cutlery, Premium Deep Clamshell, Cheese Fox Nut and Cream And Onion Flavour Fox Nut. Each product is carefully sourced and curated to ensure quality, safety, and usability. Our eco-products support sustainable living, while our snack offerings provide taste and convenience.

We prioritize quality and sustainability in every aspect of our operations. Our biodegradable products are designed to reduce environmental impact without compromising on strength and functionality. Similarly, our food products are selected with strict attention to hygiene, freshness, and flavor consistency. By maintaining high standards and responsible sourcing practices, we ensure that our offerings meet customer expectations and regulatory requirements.
