SEPARATION SYSTEM

LEAD BATTERY RECYCLING PLANT

## About Us

Assad Consulting Services (ACS) is a trusted Manufacturer, Service Provider, and Supplier established in 1985, based in Thane, Maharashtra, India. We specialize in delivering high-quality industrial solutions, offering a diverse range of products such as Battery Cutting Machine, Barton Oxide System, Industrial Aluminium Recycling Plant, Lead Rotary Furnace and Industrial Ingot Casting Machine. Our commitment to excellence has made us a trusted partner for clients across various industries. With decades of experience, we take pride in offering reliable, innovative, and efficient solutions that meet the unique needs of our customers.

We take pride in offering innovative solutions that cater to the evolving needs of our clients. We manufacture fully automated systems with minimal human involvement, ensuring operational efficiency and precision. All our equipment is designed with longevity and robustness in mind, guaranteeing high performance over extended periods. Additionally, our systems comply with international quality standards, which allow us to cater to both domestic and global markets. Our design and manufacturing processes prioritize maximum efficiency, low maintenance, and high output, ensuring that our clients experience operational excellence every time.

## Key Facts

No of Staff	30
Year of Establishment	1985
OEM Service Provided	No

## Our Products

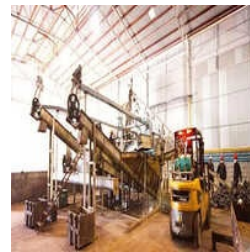

**ACS Lead Crushing And Separation Plant**

**Automatic Barton Oxide System**

**Industrial Aluminium Recycling Plant**

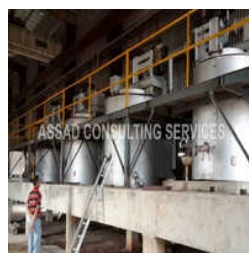

**Industrial Battery Breaking And**

**Industrial Lead Oxide Ball Mill Plant**

**Industrial Litharge Manufacturing Plant**

**Industrial Lead Refining Plant**

**Industrial Lead Ingot Casting And Stacking**

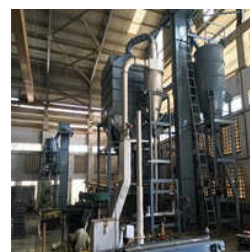

**Industrial Lead Pump**

**Industrial Battery Cutting Machine**

**Lead Oxide Manufacturing System**

**Industrial Barton Oxide System**

**ACS Red Lead Manufacturing Plant**

**Industrial Red Lead Manufacturing Plant**

**Heavy Duty Aluminium Recycling Plant**

**ACS Litharge Manufacturing System**
