About Us

Established in 2015 and based in Bhilwara, Rajasthan, C.B. Enterprises has emerged as a trusted manufacturer and supplier of high quality construction machinery. With years of experience and a commitment to innovation, we specialize in providing Brick Making Machine, Pan Mixer and Conveyor Belt that cater to diverse construction and industrial needs. We focus on efficiency, durability, and precision. Our machines are designed to optimize productivity while maintaining consistent quality, ensuring that our clients receive reliable solutions for their construction projects. We understand the challenges of the construction industry, which is why our products are engineered to deliver superior performance even under demanding conditions.

Over the years, we have built a strong reputation for our quality standards, timely delivery, and customer centric approach. Our team of skilled professionals works closely with clients to understand their requirements and provide tailored solutions that meet their specific operational needs. Driven by a philosophy of continuous improvement, we consistently invest in advanced technology and quality control processes. This enables us to offer products that not only meet but often exceed industry benchmarks.
