## About Us

Years ago, in 1991, Mr. Subhas Ch Pandya started Shree Raj International Private Limited (SRIPL) with the Jute segment, which was further diversified into other industrial segments. The company got the authorized distributorship of Signode India Ltd. (a company of Signode Industrial Group, USA, which has a heritage of more than 100 years and excellence in the industrial bulk packaging industry). Today, the company has 25 years of experience in providing innovative packaging solutions for several applications and industries. SRIPL makes available a variety of Equipment including Hand Operated Package Makers, Magnus Steel Strapping, Apex Steel Strapping and Carton Wrapping Machine that can meet the packaging requirements of a variety of products. At our company, we pay complete attention on attaining the satisfaction of customers by providing consultation and developing products as per their requirements. We not just provide packaging machines but also their after-sales services with the use of genuine spare parts.

We have established a huge presence across the globe, with around 2000 customers. We fulfil the packaging requirements of leading companies around the world. Our company is an authorized distributor of Fortune 500 companies and an eminent trader, wholesaler and supplier of various packaging consumables, tools, and machines. Throughout the journey and all the operations, our focus remains on listening, learning, innovating, and constantly improving the quality and competence of what we deliver. Our packaging solutions are used in various industries such as construction, paper, textile, water and many more. We believe in building strong and long-term relationships with our clients. We have a team of professionals, which helps us to achieve the set goals. Our business policy stands on four pillars that are integrity, customer success, honesty and collaboration.
