## About Us

We, Mansa Dairy Farm are trusted for dealing in the best quality cattle. Our farm provides Black Kapila, Cholistani Cattle, Black Rathi, Dairy Cattle Breed, Kanraj Cattle, and more breeds of dairy cattle. Established in 2015, we are committed to providing our customers with great security and stability, embracing the very best livestock available in the market. The livestock that we provide to customers are healthy, active and can be utilised for several purpose from farming to milk production.

As a trusted manufacturer, trader, supplier and distributor of heritable cattle, which in turn increases herd profitability. We consider all sources of genetic variation while planning a breeding programme. Since our inception, our farm has been receiving huge admiration from thousands of buyers. We have an extensive experience in cattle farming and deep knowledge in the feed industry. We also have a strong customer support team to resolve the queries of our customers. Our timeliness in delivery of offered cattle is always appreciated by the customers across the country. Our mentors and leaders have set the most affordable prices for providing the offered farm animals as compared to others. Hence, customers choose our company over them. We feel delighted each time when customers share their positive feedback with us. We work on their suggestions in regard to the services as it helps us to improve. Our company has a huge supply chain managed by experts. It covers various states across Indian Sub-continent. Hence, we are capable of supplying our cattle to customers across the market.
