About Us

Established in 2018, Progen Control & Automation Private Limited has grown into a trusted name in the field of industrial automation and electrical control systems. Based in Ghaziabad, Uttar Pradesh, we are a leading manufacturer, trader, exporter, and supplier of cutting-edge automation solutions. Our product portfolio includes Parker Dc Drives, AC-DC Drive Accessories, Parker Drives, Repair & Maintenance Services and AC Drive Repair Service. We are dedicated to providing high-performance products that enhance efficiency, safety, and productivity across industries.

Quality is the foundation of everything we do. Our products undergo rigorous testing to ensure they meet the highest performance and safety benchmarks. We integrate advanced technology with a skilled workforce to deliver products that exceed customer expectations. Our client-centric approach emphasizes transparent communication, prompt service, and customized solutions. We believe that strong relationships built on trust and satisfaction are the cornerstone of sustainable business growth.

Our mission is to empower industries through innovative automation technology that enhances efficiency, reliability, and sustainability. We are committed to continuous improvement, adopting advanced engineering practices, and delivering solutions that help clients achieve operational excellence. Through integrity, innovation, and customer focus, we aim to set new benchmarks in the automation sector.
