## About Us

With the dedication and determination, our company, Chaudhari Manufacturing has been working since 2003 helps us in gaining a reputed position of manufacturer and supplier. The experience we have attained over the years enable us to manufacture premium grade Chokdi Supari Cutting Machine, Double Side Chips Supari Cutting Machine, Chips Supari Cutting Machine and various others. The parts integrated in these machines are top-class which enhance their performance, durability and work efficiency. Using the modern methods, we develop the machines in compliance with the industrial standards. With the efficacy we manufacture our products reflect in their perfect designs & dimensions.

Chaudhari Manufacturing has achieved a strong reputation in the Indian market after serving the customers for so long by offering superior quality Semi-Automatic Supari Cutting Machine, Automatic Salli Supari Cutting Machine, Semi-Automatic Salli Supari Cutting Machine with Handle, etc. The supari cutting machines we are offering in the market are compact in design, easy to use, precise in dimensions and corrosion resistant. These superb features of our machines enhance their demand in the domestic market. In our successful business journey, we have received great support from our superbly talented professionals, customers and business partners. In Morbi, Gujarat (India), we have set-up our infrastructure to carry out the operations in an excellent manner.
