## About Us

Athar is a promising and budding player in the packaging industry. As a manufacturer and supplier, we provide a wide range of packaging solutions. We are dedicated to meeting the diverse needs of our clients across various industries. Our product line comprises Brown Medicine Envelope, Mask Packing Pouch, Plain Silver Pouch, Soya Chunks Pouch, Tea Packaging Pouch, Vacuum Pouch, Label Sticker, Plastic Jar, BOPP Tape, Marker Pen, Plastic Film, and more. The entire range helps us to cater to the evolving requirements of businesses. We take high pride in offering innovative and high-quality packaging options that ensure product safety, functionality, and presentation.

We are highly focused and committed about ensuring excellence in every product we manufacture. Despite being new in the market, we have quickly earned a reputation for delivering dependable and cost-effective packaging solutions. Our approach is focused on quality, customer satisfaction, and providing packaging products that helps enhance the brand image of our clients. We aim to build lasting relationships through our reliable service and top-tier products. We are guided by our mentor, Mr. Mohd. Suhail in each and every stage of the business. His business insight, industry contacts, rich knowledge and experience make us emerge as a reliable packaging products supplier in India.
