About Us

Shramik Chemicals is a privately held company, dedicated to the production and global export of dyes, founded in 1994. Our sustained growth and industry standing have been rooted in our unwavering commitment to excellence, sustainability, safety, and cost-effectiveness in manufacturing. Our core principles revolve around the steadfast delivery of high-quality Acid Dyes, Basic Dyes, Direct Dyes, Solvent Dyes and Food Colours, ensuring they are produced sustainably to meet evolving market demands, all while maintaining competitive pricing structures. These principles underscore our ongoing success and reputation in the industry.

Shramik Chemicals based in Ankleshwar, Gujarat, India, is a leading manufacturer and exporter of Basic Dyes, Acid Dyes, Methyl Violet Base Solvent Dyes, etc. With a state-of-the-art production facility and a strong focus on quality and innovation, we cater to industries such as food, textiles, pharmaceuticals, and coatings. Our commitment to customer satisfaction, timely delivery, and sustainable practices has made us a trusted name in the chemical industry, both in India and globally. Choosing us has been the right choice for customers and we promise to deliver them the best throughout the nature.
