About Us

Jay Offset (Gujarat) Private Limited offers custom packaging solutions, and high-quality printed packaging, tailored to different industry requirements. Being a manufacturer and supplier, they offer luxurious printed packaging that makes a product look more attractive. Our competence and expertise range from cosmetics, pharmaceutical products, and FMCG products, making us one of the trusted partners for businesses looking for excellence in packaging. We provide printed cosmetic carton box, printed dhoop sticks carton box, pharmaceutical printed carton box, premium incense sticks carton box, printed chocolate carton box, 3-ply corrugated box, and pharma inserts or leaflets with a modern printing process through which high-colored reproduction, crispy text, and vibrant graphics. Our materials ensure compliant FDA packaging for pharmaceutical and food-grade products.

Our company understands the needs of several markets and offers flexible order quantities from small batches to bulk production without compromising on quality. Our in-house design team works closely with the clients through custom artwork and structural designs that express the strength of a brand and safety product.
