About Us

With an aim of providing our customers with premium packaging products, we, Metpac Solutions, began our journey in 2020. In a short period of time, we have earned a position as an emerging trader and wholesaler of Plastic Stretch Wrap Film, Air Bubble Film Roll, LD Packaging Roll, Transparent LDPE Plastic Bag, and other packaging products. These products are used in various industries and households for packaging purposes and are appreciated for their durable, recyclable, biodegradable and easy to use features. We also provide our customers with Anti Corrosion VCI Foam, Industrial Washing Agent CL and effective anti rust solutions.

We are located in Bengaluru, Karnataka, and are supported by a team of experts. We bank on their skills to function as a trustworthy company driven by ethical values and customer-oriented policies. Furthermore, we are supported by a wide-spread distribution network that allows us to conduct effortless and quick deliveries across the country. Our packaging products and comprehensive customer service are aimed at giving maximum satisfaction to all our customers.
