About Us

We, Maru Impex, were established in the year 1980's and ever since our establishment, we are engaged in the manufacturing, supplying and export of exclusive range of Wooden Buttons, Coconut Buttons and Nylon Buttons that are widely used by different garment manufacturers. Our products are manufactured with finest grade raw material and are designed by a team of experienced designers.

The customization support is provided, owing to flexible production capacity. In our manufacturing unit, we have installed automatic machinery that facilitates the production rate as per client's requirements. Our range is avant-garde and appreciated for its best performance. Our products are all subjected to stringent quality testing so as to ensure that our clients receive only the best in the industry. This is possible with our dynamic team of professionals engaged in achieving the goals of the organization and innovating new ideas to fulfill the expectation of the clients. It is because of the efforts of our team that we are delivering our products within the stipulated time frame and achieving optimum satisfaction of our clients.
