About Us

Chemox Pharma Pvt. Ltd. (CPPL), established in 2019 and based in Bharuch, Gujarat, is a leading manufacturer, trader, and supplier of premium Active Pharmaceutical Ingredients (APIs) and advanced intermediates. Backed by an ultramodern, multipurpose, state-of-the-art facility at Dahej Industrial Area, our operations are driven by a dedicated R&D center and a commitment to continuous innovation. Our portfolio includes key API intermediates such as Ambroxol Hydrochloride Api, Pregabalin Ip Powder, Nitrofurantoin Anhydrous Powder, Sumatriptan Succinate Powder, etc., all manufactured in compliance with the latest WHO GMP standards.

We blend quality, flexibility, and customer focus delivering tailored solutions for clients ranging from global pharmaceutical giants to small scale enterprises. We are actively pursuing global regulatory approvals, preparing Drug Master Files (DMFs), and constantly upgrading our standards to match international quality benchmarks. Our team prioritizes confidentiality, legislative compliance, and total transparency for all client engagements, welcoming audits and inspections as part of our quality assurance process.

We also provide comprehensive contract research and manufacturing services for APIs and advanced intermediates in scalable volumes ranging from 1 kilo to 1000 kilos. Our exports reach customers across the world, and we pride ourselves on delivering products of exceptional quality, competitive pricing, and prompt scheduling.
