## About Us

Established in 1992, Metal Aids India is a globally-recognised name in the field of metal bars and pipes. We are a reliable manufacturer, supplier, trader and exporter of Hastelloy Round Bar, Duplex Steel Round Pipe, Brass Tube, Brass Hex Bar, Inconel Seamless Pipe and various other products. These are widely used in various industries and they are known for their durability, strength, design and many other features. We maintain sufficient inventory in our premises and deliver products in bulk quantity or on urgent basis to our customers. We are able to deliver products at various specifications and sizes because of our excellence in the market. Furthermore, we ensure to timely deliver these products to our clients, through this we have gained a huge client base in the market.

We have carved a niche in the market by supplying the finest products. We have partnered with the most reputed vendors in order to procure the best raw materials. To make sure that we are able to have high quality standards in our operations, we rely on our experienced quality division which keeps a careful eye on our manufactured products at all time. We operate under the expertise of our CEO, Mr. M. M. Munot, who possesses 20 long years of experience in the field. He has guided us towards success and helped us set new benchmarks in the domain.
