## About Us

Driven by our clear vision, and sticking to our values, our company, Vibgyor Enterprise, was founded to cater to the growing requirements for heavy duty industrial machines. Our product range includes items like Automatic Liquor Filling Machine, Automatic Mustard Oil Filling Machine, Automatic Conduction Sealing Machine, Automatic High Speed Single Side Bottle Sticker Labelling Machine, and more. Our products find use in various industries like pharmaceuticals, chemicals, oil, and others. Our products are highly appreciated by our clients for their robust construction, high efficacy, productivity, durability, and more.

Apart from that, we offer our clients various services, including repair and maintenance services. The vision of our company is to provide high quality, low cost, highly efficient machines. Our products are a good amalgamation of technology and innovation, and that has helped us become one of the leading and most trusted manufacturers, suppliers, and service providers in the market. For the betterment of our society and our country, we aim to maximize our efforts, and are committed to giving our best. Our make-in-India mentality helps us do our best in every situation possible.

Spread over a large area of land, the infrastructure of our company assists us well in fulfilling all the commitments we have made to our clients. We are well-equipped with the necessary tools and technology needed for the manufacturing and testing of these high-tech machines. We upgrade these machines from time to time to make sure that we stay ahead in this competitive environment. Apart from that, our capacious warehouse area helps us maintain our inventory, which further helps us cater to the bulk and urgent requirements of our clients. Over the years, we have successfully finished many orders, which has helped us grow.
