

CENTRIFUGE MACHINE

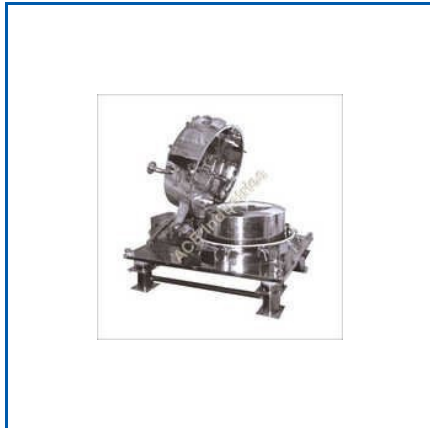

Unparalleled quality products are all that we serve!

Air tray Dryer, Automation of Bottom Discharge Centrifuge, Basket Centrifuges, Bottom Discharge Centrifuge, Bottom Discharge Centrifuge Machine, Centrifuge Chemical Plant, Centrifuge Machine, Chemical Centrifuge Machine, Colloid Mill Machine, Colloidal Mill, Compact Cooling Centrifuges, Dome Open Machine with Lifting Bag, Filtration Centrifuge Machine, Fluid Bed Dryer Machine, Four Point Mounting Centrifuge, etc.

CHEMICAL CENTRIFUGE MACHINE

DOME OPEN MACHINE WITH LIFTING BAG

AUTOMATION OF BOTTOM DISCHARGE CENTRIFUGE

About Us

With an aim to serve customers in a best possible manner, we, Ace Industries are one of the leading manufacturers, exporters and suppliers of qualitative range of calcium chloride and industrial centrifuge machines such as Industrial Centrifuge Machines, Basket Centrifuges, Chemical Centrifuge machine, Three Point Lifting Bag Centrifuge Machine, Four Point Lifting Bag Centrifuge Machines, Bottom Discharge Centrifuge Machine and others. Established in the year 1980, we have created a strong foothold in this competitive market. From decades we are engaged in offering quality range of product to our valued clients worldwide. Our quality products like Industrial Centrifuge Machines, Basket Centrifuges, etc are being used in various sectors such as oil refineries, food, chemical, textile, sugar and many more. We have achieved all the success and reputation due to our promoter, Mr. M.H. Makhani (B.chem Engg). he is a skilled and experienced in filtration techniques since his graduation and has immense knowledge about the entire process, helping the team to develop products according to the industry and client given specifications.

Our main intensity lies in our modern infrastructure and experienced workforce, which are two important aspects of our fast growing organization. Infrastructure is equipped with all latest machines and modern equipment that are high performing and smooth in functioning. Using them extensively, our teams of professionals work together with each other to produce the excellent output. All the machines manufactured at our organization are genuine, durable and sustainable for a longer period of time and easy to operate without any special training. Moreover, the quality and functioning of our machines is assessed and evaluated by prestigious chemical consultants such as Dalal Consultants, Humphrey's, IBI, Davy Power Gas, Tata Consultants, I.E.I and many more.

We are prominent manufacturer, supplier and exporter of Table Top Centrifuge Machine, Table Top Scale Centrifuge Machine, etc from in India. These machines are ideal to be used in various industrial applications such as analysis of blood serum, plasma, and others. Our microprocessor control Table Top Centrifuge Machine, Table Top Scale Centrifuge Machine, etc is equipped with brushless motor and other features that assure less noise and better workability. Due to the same, these are highly appreciated in Indian market. We have carved a niche in the domain as Table Top Centrifuge Exporter in the domain. Our products are highly demanded in India and others regions of the world.

Key Facts

Year of Establishment	1987
OEM Service Provided	No

Our Products

**Dome Open Machine
With Lifting Bag**

Colloid Mill Machine

Pilot Scale Centrifuge

Pilot Centrifuge

**Automation Of Bottom
Discharge Centrifuge**

Lab Centrifuge

**Chemical Centrifuge
Machine**

**Bottom Discharge
Centrifuge Machine**

**Universal Pilot Scale
Centrifuge**

**Filtration Centrifuge
Machine**

Laboratory Centrifuge

Pharma Centrifuges

**Full Body Top Opening
Centrifuge**

**Bottom Discharge
Centrifuge**

**Pharma Centrifuge
Machine**

Air Tray Dryer
