## About Us

Vectus is a leading player in the Indian polymers industry, primarily dedicated to providing innovative water storage solutions. Established in 1989, with more than 4000+ dealers and distributors, 15000+ retailers and 10 manufacturing units, Vectus has emerged as a trusted name synonymous with quality, reliability, and technological excellence. At Vectus, we specialize in the manufacturing and distribution of a diverse range of plastic products tailored to meet the evolving needs of residential, commercial, and industrial sectors. Our comprehensive product portfolio includes a wide spectrum of high-quality water storage tanks, bathware products and household plastic products.

With a strong emphasis on innovation and customer satisfaction, Vectus continues to set new benchmarks in the industry. Our state-of-the-art manufacturing facilities, strategically located across India, enable us to deliver superior products consistently while ensuring cost-efficiency and environmental sustainability. At the heart of our operations lies a commitment to quality assurance and compliance with international standards. Vectus products undergo rigorous testing and quality control measures at every stage of the manufacturing process, ensuring durability, performance, and peace of mind for our customers. Beyond business, Vectus is deeply committed to social responsibility and community development. Through our corporate social responsibility initiatives, we strive to make a positive impact on society by supporting education, healthcare, and environmental sustainability initiatives in the communities we serve.
