About Us

Since its establishment in 1985, Abros Enterprises has been the leader in the manufacturing and supply of high-quality industrial products including Deaerators, Chimneys LPG and Propane Tank, Pressure Vessels and CCOE Approved Tanks, Heat Exchanges, Heavy Tube Plate Drilling, Sugar Equipment, Pharma Equipment, etc. Any other job as per your requirement, design & drawing and many more.

From the outset, our organization has prioritized quality, adhering to a stringent quality policy to maintain the confidence of our clients. Our quality control team is only permitted to release products into the market once they meet the specifications set forth by our customers. This team meticulously examines all incoming raw materials. Furthermore, our quality control personnel perform rigorous quality assessments and thoroughly evaluate the functionality, durability, and overall characteristics of the products. In addition to maintaining the highest quality standards, we meticulously document all inspection records for materials at each stage, any design alterations, and dispatch release notes.
