About Us

Alvis Labs is a dynamic and reputed wholesaler, trader and supplier of pharmaceutical products which was formed in 2020. Our organization has quickly gained recognition in the market by supplying superior grade Rabeprazole Sodium And Domperidone Capsules, Ceftriaxone And Sulbactam Injection, Anesthetic Antacid Syrup, Doxofylline Tablets IP and varied other pharma items. The medicines we are offering are formulated by the vendors using high-class substances which make the pharma products effective and safe to use. We understand the crucial role of pharmaceutical products in the well-being of the people therefore, we make sure that the highest standards of quality and reliability are maintained in the product line.

For our corporation, safety of the sourced products is one of the major concerns for which we have developed a spacious warehouse in Hisar, Haryana. Here all the procured pharmaceutical products like Anesthetic Antacid Syrup, Rabeprazole Sodium And Domperidone Capsules, Ceftriaxone And Sulbactam Injection, Doxofylline Tablets IP, etc. are kept in a systematic manner in different chambers as per their respective categories like capsule, injection, syrup and tablets. Under an adequate temperature, all the medicines are stored which intact their chemical properties and effectiveness. Our warehouse is well-equipped with modern surveillance and safety devices like fire alarms, CCTV cameras, fire extinguishers, etc.
