## About Us

Map Chem Private Limited, founded in 2012, has come a long way to be recognized as the top pharmaceutical trading business in Mumbai. Our exceptional service has been the defining characteristic of our company setting us apart from our counterparts. From being a small entity to one of the leading traders and suppliers, we have grown with an expanding clientele and vendor base. Today, we serve not only in Mumbai, but markets of Thane and Navi Mumbai, too. Owing to our goodwill, we have set a firm reputation for ourselves in Indian pharmaceutical industry and have more than 50 associates on board. For this reason, we have been offering Heparin Injection IP, Tofacitinib Tablets, Teriparatide Injection IP, Protein Medicines, Softgel Capsules, ORS Sachets, Human Albumin Injection, Immunity Booster and many more of highly effective composition.

Map Chem Private Limited has always been considerate of the patients and their health. Therefore, we make all the efforts right from the initial stage of sourcing the best medicines with the assistance of our purchase team. Later, we carefully store and supply these to our clients. Since, we spare no effort in maintaining high stock availability and quality standards of our ORS Sachets, Human Albumin Injection, Immunity Booster and other medicines, these are highly demanded in the market. With our patients being our ultimate customers, our Mumbai, Maharashtra, India based business continue its endeavor and unwavering commitment to the Medical Fraternity at large.
