GALVANIZING PLANT ZINC TANK

About Us

The Galvanizing processing industries provide building blocks for many products. The method responds to the need of galvanizing steel or other metals with the properties such as flexibility, safety and energy efficiency besides decreasing the emission level. Dadhivala Manufacturers & Consultants Pvt. Ltd. is a leading company predominant and valued in the market operating as a dependable manufacturer, supplier and exporter of various types of Galvanizing Plants like Tube Galvanizing Plant, Structure Galvanizing Plant, Scaffolding Galvanizing Plant, Tube Pipe Galvanizing Plant etc. Besides, we provide services of Commissioning and Installation of Turnkey Projects for Galvanizing Plant.

Our goal is to espouse innovation for discovering new approaches and mechanism in order to enhance ourselves as well as offer value to our clients, hence building up long-term and mutually advantageous relation with them. We are intent to double our market share by answering efficiently to the ever-growing engineering challenges. We are the preferred galvanizing plant consultant with globally renowned companies such as BMW Industries, British Scaffolding Ltd., Bhushan Power and Steel Ltd., Zenith Birla (India) among others. Our expertise is centered at developing reliable and high-performance plants and equipment through employing designing method of reliability approach, thus better and optimum design at the most competitive price. Because of such attributes of our company, we have got a strong client base spread across the world. We export our products mainly to Saudi Arabia, Oman, Dubai and other countries worldwide.

Key Facts

No of Staff	6
Year of Establishment	1998
OEM Service Provided	No

Our Products

Galvanizing Plant Dryer

Pipe Galvanizing Plant

Chain And Pipe Skid

High Mast Pole Plant

Galvanizing Plant Tube Extraction Unit

High Mast Pole Quenching Tank

Tor Galvanizing Plant

Scaffolding Galvanizing Plant

High Mast Pole FRP Pickling Tank

High Mast Pole Galvanizing Plant

Tube Galvanizing Plant

Galvanizing Zinc Tank

Galvanizing Zinc Kettle

Strip Pickling Tank

FRP Pickling Unit

High Mast Pole Dryer
