## About Us

Micronix is a prominent manufacturer and supplier of high-tech Electric Scooter Battery, Three Wheeler Battery, Electric Three Wheeler Battery, Electric Cycle Battery, Electric Four Wheeler Battery, and more. Our batteries have gained extensive recognition in the electric mobility segment and are renowned across applications like electric bikes, scooters, rickshaws, cycles, hoverboards, skateboards, electric wheelchairs, and even electric cars. We have become synonymous with quality, reliability, and trust, leading the way in the Indian Lithium Battery sector.

Supported by a 25,000 sq. ft. state-of-the-art manufacturing plant and a team of more than 100 professionals, we are presently manufacturing 5,000 EV batteries every month, with a scalable manufacturing capability of up to 10,000 batteries monthly. Our deep manufacturing infrastructure is complemented by advanced assembly equipment, providing top-class performance, consistency, and safety in each battery pack that we supply.
