About Us

Today, takeaway food is in high demand. They are quite convenient for office going people and products like Takeaway Broiler Food Plate, Rectangular Food Plate, Compartment Aluminium Plate, HB Rectangular Food Plate, Steam Food Pan, Square Food Pan, etc., are used widely for the same. Due to the non-toxic nature of these foils, they are used widely today to store food products and bake. To cater to the growing requirement for these products, our company, Dugar Polymers Ltd., was founded. We are known today as one of the leading manufacturers, suppliers, and exporters of these items.

Since our establishment in 2004, we, Dugar Polymers Ltd., have been operating our business dealings out of Dadra and Nagar Haveli, India. We offer our clients a wide range of Loaf Pan, Half Sheet Cake Pan, Cookie Sheet Pan, Pie Pan, Round Burner Gas Mats, Oval Shape Catering Aluminium Roaster, and similar products to choose from. All the products that we produce are manufactured in our robust infrastructure facility, which is stretched over a large area of land. This helps us ensure proper maintenance, manufacturing, and operation. Adequate space ensures timely and hassle-free completion of every project. We understand that these products are used to store food, therefore, extra care is taken to make sure that no toxic chemicals emit from them when they are exposed to high temperatures. All this and more has made us one of the leading manufacturers, suppliers, and exporters of these products in India. We have more than 18 years of market experience, which has helped us maintain a strong foothold in the market. It has also helped us establish ourselves as one of the most trusted manufacturers in the industry, which has gained us many customers over the years.
