About Us

Frameout Flyers Pvt. Ltd. is a trusted supplier/exporter/manufacturer of high-quality Ferro Silicon Manganese, Ferro Silicon, Ferro Alloys, Ferro Silicon Magnesium, Ferro Manganese, Manganese Ore, Gasket and Seals, Zinc Ingots, Fastener, Industrial Springs, etc., catering to diverse industrial requirements with precision and reliability. Established with a vision to deliver excellence, the company has built a strong reputation for providing products that meet stringent quality standards, ensuring superior performance in various applications. Our Ferro Silicon Lumps are widely used in the steel and foundry industries for de-oxidizing and alloying purposes, while our Zinc Ingots find extensive use in galvanization, die casting, and manufacturing of alloys.

We combine advanced production techniques with a commitment to consistency, offering products that are durable, efficient, and cost-effective. We take pride in maintaining long-term relationships with our clients by delivering timely solutions, backed by professional service and technical expertise. Our state-of-the-art facilities, skilled workforce, and rigorous quality control measures ensure that every product leaving our premises reflects our dedication to excellence. With a customer-centric approach and a passion for innovation, our company continues to expand its reach, serving both domestic and international markets while upholding the highest standards of integrity and professionalism in every aspect of our business.
